

Piranha Triathlon Club

Club Support for Piranhas representing Ireland in multisport Policy:

- The support will be a maximum of €150 for any one member, but no more than €1,000 in aggregate for the club in any one financial year. If more than 6 members qualify, the €1,000 support fund will be allocated pro rata to those members.
- The support to race costs applies to Piranhas representing Ireland at World and Euro events only and covers only the following - Sprint Triathlon, Olympic Triathlon, Long distance course, Duathlon, Aqua Bike and Aquathons
- The entry must be earned through competition - not lottery or purchase
- The subsidy is available only to full members who are in the club 2+ years
- The subsidy is available to members once in a lifetime
- As part of this award, we encourage the recipient member to complete a race report and include PiranhaTri on social media posts
- The funding in each year is dependent on continued strong financial status of the club, as determined by the committee in the relevant year of support.
- As the value of the support is dependent on the number of members who have qualified for Triathlon Ireland representation of a particular year, the value of the support will be calculated and paid after the last qualifying race for that particular year.
- If in the event that the qualifier elects not to travel/compete for whatever reason or leave the club before they compete in the nominated race – the eligibility for support will be declined and any funds presented will need to be returned to the club
- This subsidy is only applicable to events in calendar year 2018 onwards and no retrospective awards will be applied
- It is the responsibility of the individual to make themselves known as qualifiers to club chairman via chairman@piranhatri.com and wanting to avail of the subsidy at least 3 months in advance of the race date
