

Piranha Triathlon Club

Club Support for Ironman World Championships Policy:

- The support will be a maximum of €500 for any one member, but no more than €1,000 in aggregate for the club in any one financial year. If more than 2 members qualify, the €1,000 support fund will be allocated pro rata to those members.
- The support to race costs applies to Ironman World Championships and Ironman 70.3 World Championships only
- The entry must be earned through competition - not lottery or purchase
- The subsidy is available only to full members who are in the club 3+ years
- The subsidy is available to members once in a lifetime
- The recipient member must agree to include the Piranha logo on his/her tri suit, complete a race report and include PiranhaTri on social media posts
- The funding in each year is dependent on continued strong financial status of the club, as determined by the committee in the relevant year of support.
- As the value of the support is dependent on the number of members who have qualified for the world championships of a particular year, the value of the support will be calculated and paid after the last qualifying race for the world championships for that particular year.
- If in the event that the qualifier elects not to travel/compete for whatever reason or leave the club before they compete in the world championships – the eligibility for support will be declined and any funds presented will need to be returned to the club
